## **Features for VT School Management System (VTSMS)**

- **Main Modules Involved in the School Automation**
  - ✓ Student Information
  - ✓ Total No. of Students
  - ✓ One time monthly fee structure
  - ✓ Fee submission
  - ✓ Reuse feature of deleted
  - ✓ Defaulter List
  - ✓ Day Book
  - ✓ Month Book
  - ✓ Library Management
  - ✓ Examination Management
  - ✓ Time-Table Creation
  - ✓ Support Windows Network
  - ✓ Six user level security
  - ✓ Privileges given to administrator account
  - ✓ Automatic Backup
  - ✓ Restore from backup file
  - ✓ Illegal Password Monitor
  - ✓ Examination Module (Exclusive Class Wise)
  
- **Security, Backup and Restore Tools:**
  - ✓ Six user level security
  - ✓ Privileges given to administrator account
  - ✓ Automatic Backup
  - ✓ Restore from backup file
  - ✓ Illegal Password Monitor
  
- **System Requirements for School Management System:**
  - ✓ Printer support
  - ✓ Windows 98 SE and above Operating System
  - ✓ Windows LAN for multi-user environment (optional)
